A COLLEGE . . .

COLLEGE OF THE ALBEMARLE ELIZABETH CITY. NORTH CAROLINA

"Sometimes give your services for nothing... For where there is love of man, there is also love of art"—Hippocrates Hippocrates made this statement about man; we of the 1971 BEACON staff can make this statement about a friend and teacher at College of The Albemarle. Love for his fellowman is demonstrated in his continuing patience and consideration for his students. Love for his art is demonstrated in his teaching; he puts himself into his courses and helps the students to understand his courses better. In appreciation for his services and his love, we dedicate the 1971 BEACON to a great man who has been with the college since its beginning—Mr. Joseph Salmon.
